in conversation with
Daniel Niggli

POWER

5 sessions on selected Mondays
16.00–18.00, ONA Focushalle E7
Neunbrunnenstr. 50
8050 Zürich

SESSIONS ON TERRITORY is a series of public debates on the political economy of architecture and territory within and beyond the neoliberal order. The seminar's objective is to unravel forces at work in the formation of the contemporary city, and, as importantly, to spur debates that challenge the *status quo*. Every intervention by a guest speaker will be followed by a panel discussion with invited respondents.
