Patrik Schumacher & Alexander Lehnerer

HS2017 elective 1 ECTS credit

ETH Zürich D-ARCH

25.09.2017, 16.00–18.00 ONA Focushalle E7

In recent years ARNO BRANDLHUBER'S practice has been dedicated to the idea of legislation in architecture as a main factor for the built environment. This mindset resulted in built and theoretical investigations, such as the ARCH+ issue *Legislating Architecture*, and the 2016 film *Legislating Architecture*, made in collaboration with Christopher Roth. The film and its recent second chapter, *The Property Drama*, will be shown and discussed during the event.
