# PHILIPPE REKACEWICZ

1. »Poverty Reduction Strategy Papers« (Strategiepapiere zur Armutsminderung, ein Konzept von IWF und Weltbank)
2. »New Partnership for Africa's Development« (Neue Partnerschaft für Afrikas Entwicklung, Entwicklungsprogramm der Afrikanischen Union)

ARCHITECTURE OF TERRITORY  
Travellers. On the Ways  
of Seeing Urban Territories  
12.10.–30.11.2015  
Tue, 4 pm, HIL E67—red forum

PHILIPPE REKACEWICZ is a journalist and geographer cartographer for *Le Monde diplomatique*. Interested in geopolitics, sociocultural territories, public and private space, he brings together in his work issues of concern shared by cartography, art, and politics. Since 1988 Rekacewicz has published more than 2000 original thematic maps, 15 atlases, many articles on cartographic visions of the world, and contributed to exhibitions on cartography and art.
